## **WELCOME**

Welcome to the Cumberland County STARS (Supervised Treatment and Rehabilitation Services) Adult Drug Treatment Court (DTC). This handbook will let you know what is expected of you while you are enrolled in the Drug Treatment Court Program.

As a participant, you will have many responsibilities. In return, the Drug Treatment Court Team will assist you in the treatment and recovery process. You are expected to follow the directions given to you by the Judge and the Drug Court Team. Share this handbook with your family and close friends, so they will be aware of the work you are doing to become clean and sober.

## **PROGRAM MISSION**

The mission of the Cumberland County Drug Treatment Court is to stop the abuse of drugs and alcohol and related crime and to provide support to addicted offenders in their recovery process. The goal of Drug Court is to help participants become clean and sober. Neither positive drug tests nor setbacks in treatment result in immediate termination from the program, but sanctions (punishment) will be given for each offense. The Drug Court Treatment Team will make all decisions regarding sanctions and termination.

As a participant in Drug Treatment Court, you will have access to the following programs:

- Inpatient drug treatment
- Outpatient drug treatment
- Twelve step meetings
- GED and continued education services
- Vocational Rehabilitation
- Employment Assistance
- Anger Mgmt, Stress Mgmt, Parenting, Self Esteem Classes
- Cognitive Behavioral Intervention
- Credit Counseling

## **DRUG COURT TREATMENT TEAM**

Drug treatment court's treatment team consists of: *Judge, Assistant District Attorney, Defense Attorney, Assistant Clerk of Court, Probation Officer, Chief Probation Officer, Pretrial Release Representative, Treatment Counselor, Day Reporting Center Representative, Drug Court Coordinator, Police Representative, Sheriff's Office Representative, and Department of Social Services Representative.* They all work together toward a common goal, to help you stay sober and be productive in society.

**Probation** is located at 412A West Russell Street, near the detention center.

**TASC and Day Reporting Center** are located at 412 West Russell Street, next door to probation.

**ACTS** is located at 911 Hay Street, Fayetteville, NC (just over the MLK on the left across from the BP Station)

**ELIGIBILITY CRITERIA**

To be eligible for the program, candidates must be:

- Resident of Cumberland County
- Charged with class G, H or I felonies (probation violations are eligible)
- Assessed as chemically dependent
- A resident of a suitable household or willing to reside in transitional housing
- Facing at least a 270 day minimum active sentence

The following factors make an individual ineligible to participate in Drug Treatment Court:

- Known for primarily dealing in drugs
- Prior conviction or pending charges for trafficking
- Pending charges or conviction for sale of a controlled substance
- Prior convictions for violent felony offenses
- Firearm possession during arrest or the commission of offense
- Schizophrenia diagnosis
- Suspended sentence of less than 120 days
- Pending charge or conviction for habitual felon
- Participating in a methadone program, opiate maintenance, or taking long term prescribed narcotics

Candidates cannot have pending charges in other counties. Such charges must be disposed of either by conviction or dismissal to be considered for DTC.

**The elected District Attorney can waive any of the above criteria on a case-by-case basis.**

**WHAT YOU CAN EXPECT**

When you become a Drug Treatment Court participant, you must appear in court every other week. The court sessions involve the same Judge and you must arrive on time and stay for the entire court session. Before to the court session, the DTC Program Coordinator will share your progress with the Judge and Treatment Team. The Team will then determine possible sanctions (punishment) or incentives (rewards) based on your progress. During court, you can speak with the Judge.

*Please remember that recovery and successful completion of the Drug Court program means more than not having positive drug screens. To remain clean and sober, you must develop a new way of life...changing the people, places, and things that were so much a part of your life while you were using.*

## HONESTY AND INTEGRITY

Be completely honest about your addiction and recovery with yourself and the drug court team. **DO NOT LIE TO THE JUDGE.** Honestly will always be your best policy. There will be sanctions (punishment) for dishonesty. If you use drugs, it is better to admit it before the team receives the drug screen results.

## COURT SESSIONS

Every two weeks, you must appear in court to review your progress. You are expected to arrive on time and remain for the entire session. Failure to appear in court will result in an order for your arrest. Court sessions are held in courtroom 2B on the second floor of the court house. The court schedule may change due to weather or staff schedules. You may call Ms. Singletary's phone number for updates on inclement weather.

## GENERAL RULES

As a Drug Treatment Court Program participant, you must follow these rules:

1. **ATTEND ALL DRUG TREATMENT, CASE MANAGEMENT, PROBATION, AND COMMUNITY BASED RECOVERY MEETINGS.** This includes any appointments by your treatment counselor, probation officer/ case manager, DTC program coordinator, community support meetings, and drug tests. **Missing an office visit/drug screen with your probation officer is an unexcused absence and is counted as a positive drug screen unless a true emergency occurs during your appointment with probation and the emergency can be verified.**
3. **BE ON TIME.** You are required to be on time for each scheduled treatment meeting, case management meeting, probation appointments, court sessions, and drug tests. All excuses must be verified.
4. **FEES:** You are required to pay a \$30.00 monthly probation supervision fee every month and any restitution as required by the court. Your probation officer will discuss this with you.
5. **DO NOT MAKE THREATS TOWARD OTHER PARTICIPANTS OR STAFF. DO NOT BE DISRUPTIVE IN ANY MANNER.** Violent or inappropriate behavior is not acceptable and will be reported to the Court. This behavior can result in immediate termination from the program
6. **DO NOT BRING DRUGS, ALCOHOL OR WEAPONS INTO ANY TREATMENT, CASE MANAGEMENT, OR PROBATION OFFICER MEETING, APPOINTMENT OR EVENT.**
7. **DRESS CODE FOR COURT AND TREATMENT SESSIONS.** Jeans and t-shirts are fine as long as they are clean. Torn jeans or t-shirts with logos showing drug use or violence are not acceptable.
8. **EMPLOYMENT/EDUCATION.** You will be required to be employed full-time or in school by phase 2 unless you can show proof of disability.

9. **RELATIONSHIPS.** Romantic relationships with each other are not allowed.

### **PRESCRIPTION DRUG POLICY**

You cannot take narcotic drugs, even if prescribed by a doctor, while in the program unless no other option for pain is available. If you go to the doctor or the emergency room for an injury or illness, you must tell the doctor that you cannot take narcotic medication and must ask for non-narcotic pain reliever. If a narcotic medication is prescribed anyway, you must notify your probation officer as soon as possible. ***A doctor's note is included in this handbook. The note must be signed by your doctor and returned to your probation officer each time you return from a doctor's appointment and are given a prescription for medication. Failure to have the form signed will result in jail time.***

### **CONFIDENTIALITY/PRIVACY**

State and Federal laws require strict confidentiality/privacy regarding issues related to substance abuse and treatment. You will be asked to sign a release of information so that your information can be shared among the team and other referral resources that may need information. Information about you cannot be shared without your written permission. If you have questions about whether you have privacy, ask your attorney or the Judge.

### **DRUG TREATMENT**

During treatment, you will be educated about the disease of chemical dependency and how to live your life alcohol and drug free. Drug Treatment Court will work with you to find the treatment that will best meet your needs. Your case plan will consist of several treatment levels and may include inpatient, intensive, or regular outpatient, long-term residential, halfway houses, jail treatment, relapse prevention, and aftercare. **You CANNOT drink alcohol while in the program nor can you take weightlifting supplements.** You will be breathalyzed randomly.

Treatment is done through ACTS (Alternative Care Treatment Systems) located at 911 Hay Street, Suite 203, Fayetteville, NC. The first phase of treatment is Intensive Outpatient Treatment (IOP). You will meet for twelve weeks three days a week, based on your work schedule, for three hours each session. After you complete IOP, you will move to the Continuing Care phase which is held twice a week. You will then complete Aftercare for eight weeks and then case management once monthly until you graduate.

### **COMMUNITY SUPPORT MEETINGS**

**You must to attend four community support meetings a week while you are in the program.** You must have the community support meeting chairperson sign your attendance sheet and you must ***remain for the entire meeting.*** *Meeting sheets are due to the program coordinator every Monday for the previous week (Sunday to Saturday).* **You can only attend one meeting a day (you can attend more than one as long as you don't violate curfew, but only one meeting counts per day).** You can only attend meetings on the approved list. If you are unemployed, you must attend community support meetings during the day. If you are working fulltime during the day and have provided written proof of employment, you can attend night community support meetings if you have been approved by probation. A list of meeting locations will be provided for you.

## **DRUG TESTING**

Drug testing is done at random using a color code system. You will be assigned a color when you enter the program and you will keep the same color while in the program. You must call the drug screen message line at 475-3335 Sunday- Thursday between 5 pm and 7 am the next morning to find out if your color has been selected for a drug screen (if you call and the message has not been updated, call early the next morning). If so, you must report for a drug screen at the probation office during the time given. Failure to report for a drug screen and adulterated drug screens is the same as a positive drug test. *Adulterated drug screens are considered positive tests and you will be sanctioned for these tests.*

## **RECOVERY, VOCATION AND EMPLOYMENT**

Recovery from addiction means being able to live on your own. It also means becoming a productive and responsible member of the community. Your probation officer/case manager will work with you about your needs and will refer you to agencies for vocational training, education, and/or employment.

## **INCENTIVES AND SANCTIONS**

The purpose of incentives (rewards) and sanctions (punishment) is to provide consequences of behavior and to provide structure. Incentives and sanctions also teach and help you with responsibility, goal setting, and success in meeting your goals. Sanctions include additional reporting requirements, community service, curfew change, daily reporting for drug testing, a community support meeting a day, house arrest, and jail time. You may also be subject to peer review, where participants decide what your sanction will be. Incentives include verbal praise, earning a chance to win a 'freebie', and gift certificates.

## **HOUSING**

You must have a stable residence and the residence must be approved by probation. If you are living with someone who has a substance abuse addiction or someone with an extensive criminal record, you will be asked to move or have that person removed if the home belongs to you. Housing in Cumberland County is very limited. However, there are a couple of transitional homes that provide housing. If you are placed in one of these homes, you must remain at the home for a minimum of six months and you must follow all house rules. Your treatment may be different from the standard treatment and you may have additional requirements such as attending more than four community support meetings as required by drug court.

## **TRANSPORTATION**

You must have transportation to participate in the program. You will be required to report for drug screens, appointments, treatment, community support meetings, and drug screens several times a week. If you live on the bus route, we may be able to provide bus tickets weekly if you are not working fulltime.

## **DART**

DART (Division of Alcohol and Dependency Programs) is an inpatient treatment program through the Department of Community Corrections for men. A similar program is offered for women. The program offers a 28-day program and a 90- day program. If you continue to test positive, you may be sent to this program. Since you are not actively participating in drug treatment court while you are

away, your time with drug treatment court is put on hold. When you complete the program, your active time continues. You will be eligible for phase advancement approximately 90 days after return from the program.

### PHASES OF PROGRAM PARTICIPATION

The following levels of participation include only minimum requirements. Movement from one level to another is a decision made by the entire Drug Court Treatment Team. In addition to these minimum requirements, the Team also considers each participant's overall attitude.

#### Phase I Blue Star

You must participate in Phase I for at least the first *four months* in the program. Drug Court participants are not allowed to leave Cumberland County for an overnight stay while they are in Phase I, unless approved by the team.

The requirements of Phase I are:

- Attend court every two weeks
- One (1) in-person visit with the program coordinator every Monday. *Office visits must be made between 8:00 am-8:30 am, 1:00-2:00 pm or 4:00-4:45 pm. Submit meeting sheets every Monday.*
- Daily call in by telephone to drug screen message line Sunday-Thursday after 5 pm to find out which color has been selected for a drug screen
- Report one to three (1-3) in-person visits with your probation officer per week for a drug screen (based on the number of times your color is selected for drug testing)
- Community and curfew checks made by your probation officer
- Enroll in a treatment program and attend all group and individual counseling sessions as scheduled by your treatment counselor
- *Attend Intensive Outpatient Treatment (IOP) three times a week twelve weeks. After completion of IOP, attend Continuing Care group twice weekly*  
Attend at least four community support meetings per week
- Attend other treatment programs if needed
- Random drug screens
- 7:00 pm curfew
- Payment of all fees as directed by the Court

Before you may move to Phase II, you must follow all of the requirements above, be enrolled in the Drug Treatment Court Program for a minimum of 120 days, have 60 days of clean time (including no adulterated drug screens), be infraction free for at least 60 days, have a stable and suitable housing arrangement, and have no pending charges. Pending charges will prevent you from advancing to the next phase. Charges must first be disposed of. **Sanctions may delay advancement of the next phase.**

#### Phase II Silver Star

This is the next phase of the Drug Treatment Court Program. You will be required to participate in Phase II for *at least five months*. Requirements for this level are:

- Attend court every two weeks

- One (1) in-person visit with the program coordinator every Monday. *Office visits must be made between 8:00 am-8:30 am, 1:00-2:00 pm or 4:00-4:45 pm. Submit meeting sheets every Monday.*
- Daily call in by telephone to drug screen message line Sunday-Thursday after 5 pm to find out which color has been selected for a drug screen
- Report one to three (1-3) in-person visits with your probation officer per week for a drug screen (based on the number of times your color is selected for drug testing)
- Attend Continuing Care or Aftercare group session with the assigned treatment counselor weekly
- Community and curfew checks made by your probation officer
- Attend at least four community support meetings per week
- Random drug screens
- 9:00 p.m. curfew
- Payment of all fees as directed by the Court

Before you may move to Phase III, you must be in compliance with all of the above, have 120 clean days (including no adulterated drug screens), be enrolled in phase II at least 150 days, be infraction free for at least 60 days, attend all appointments/court appearances as scheduled, have stable and suitable housing, be current in all court ordered fees, working or attending school full-time, and have no pending charges. Pending charges will prevent you from advancing to the next phase. Charges must first be disposed of. **Sanctions may delay advancement of the next phase.**

### **Phase III Gold Star**

This is the final level of the Drug Treatment Court Program. You will remain in this level for at least *three months* and until you have graduated from the program. Phase III requirements are:

- Attend court every two weeks
- One (1) in-person visit with the program coordinator the Monday prior to court from *8:00 am-8:30 am, 1:00-2:00 pm or 4:00-4:45 pm. Submit meeting sheets when you report.*
- Daily call in by telephone to drug screen message line Sunday-Thursday after 5 pm to find out which color has been selected for a drug screen
- One to three (1-3) in-person contacts with your probation officer per week (based on the number of times your color is selected for drug testing)
- Attend case management at least once per month
- Complete the appropriate treatment program
- Community and curfew checks made by your probation officer
- Attend at least three community support meetings per week
- Random drug screens
- 10:00 pm curfew (no curfew last six weeks of program)
- Payment of all fees as directed by the Court

Before graduating from the Drug Treatment Court Program, you must have 120 clean days (including no adulterated drug screens), have at least 90 days with no program infractions, and have stable and suitable housing, working fulltime or attending school fulltime, and have no pending charges.

## TERMINATION

Termination from the Drug Treatment Court Program is the final sanction. This means your probation is revoked or your sentence is activated and you are sent to prison. The Treatment Team will recommend termination only after a detailed review of a case. The Judge makes the final decision. You may be given a final warning letter but it is not required. If you receive this letter, you will be given no more chances to mess up in the program.

## GRADUATION

Upon successful completion of the program requirements, you will graduate from the Drug Treatment Court Program. The criteria for graduation include the following:

- Successful completion of all phases of the program
- A minimum of 120 days clean time prior to graduation
  - Be infraction free for at least 90 days
- Payment in full of all court fees
- Completion of an exit interview with the program coordinator

When you successfully complete the Drug Treatment Court Program, a graduation ceremony is held during a regular drug court session. We encourage you to invite your family and close friends to the ceremony. You will remain on probation for six months following graduation.

## CONCLUSION

The STARS Drug Treatment Court Program was developed to establish and increase recovery options for substance abusing offenders and those close to them; to reduce recidivism in the criminal justice system; to provide an improved sanction beyond regular probation; and to provide better justice for the community.

The program is designed to give you every chance to join the community as a productive and responsible person. *This program is mandatory through the court system. If you fail to comply after you are accepted into the program, your suspended sentence may be activated.* The team members are here to assist you in any way possible, but you are the one who must make the decision to change.

## FREQUENTLY ASKED QUESTIONS

### **I am on probation. Will I have the same probation officer?**

No, your new probation officer will be one of two probation officers assigned to drug treatment court once you enter the program.

### **I am employed and I cannot get off work. What should I do?**

It is very difficult to work during phase 1 and meet drug court requirements. You will be expected to make all appointments, court sessions, and drug screens. You are expected to report for drug screens, even if you work.

### **What if I do not have transportation?**

You must have transportation three to four days a week in order to participate in the program. The program can provide a limited number of bus tickets if you live near the bus route.

**Does Drug Treatment Court cost anything?**

There is no cost to participate in the program but there may be a cost for treatment based on your insurance plan, if you have one. You must pay a 30.00 monthly probation supervision fee and any restitution you owe.

**What happens if I obtain pending charges?**

You cannot advance to the next phase if you have pending charges. The charges must be disposed of, whether by dismissal or conviction.

Dear Doctor:

This letter is to inform you that I am a participant in the STARS Drug Treatment Court program in Cumberland County. As part of my substance abuse recovery, I cannot consume narcotic medications unless a narcotic is the only option for pain management. I also cannot consume other addictive medications such as sedatives and opiates. If a narcotic is prescribed for me and it is the only option, please list comments below.

Your signature below verifies that this information was shared with you. **Please list all medications prescribed to me below and indicate the prescriptions that are addictive.** If you have questions, you may contact Darrin Davis, at 486-1890 ext 280, Kristy Armstrong at 486-1890 ext 254, or Nicole Singletary at 475-3243.

Thank you,
