

POSITIVE DRUG TEST OR ADMISSION STATEMENT

CLIENT NAME: \_\_\_\_\_

I understand that I tested positive (through a urinalysis drug test or breathalyzer test) for having used alcohol and/or an illegal or illicit drug during my drug court participation.

I further understand that I have the right to request an independent confirmation test (UA) of the specimen which yielded the positive result and that if I do not request a confirmation test immediately, this represents an acceptance by me that the result is, in fact, positive. If I do request an independent confirmation test, I understand that I will pay all costs associated with the confirmation test.

\_\_\_\_\_ I hereby waive my option to have a confirmation test and accept the positive result of the initial screen. I recognize that this acceptance constitutes a full confession of drug use during my probation.

\_\_\_\_\_ I hereby request an independent confirmation of the specimen which yielded the positive result. I will pay the cost of the confirmation test.
