

Painting the Current Picture

2022

Program Data Collection Form

National Drug Court
Resource Center

This optional data collection form is intended to assist you in gathering the program-level data needed prior to completing the electronic Painting the Current Picture (PCP) survey(s). This form is for your own records, and there is no need to return this document to us if you choose to use it. To access the electronic survey(s), please visit our PCP survey resource page: <https://ndcrc.org/survey-resources>.
